A little about us

We are a first class, versatile event catering company, taking authentic and honest produce from the widely loved countryside, catering for a wide range of occasions from weddings, corporate events to private dinner parties.

We create an experience, concentrating on the produce we work with, creating perfect menus and giving the food we work with the respect it deserves. Our signature cuisine is seasonally British food with a modern twist.

We have created you a specially developed menu inspired by our training within the industry and by food we simply love to cook.

Breakfast

Breakfast is the most important meal of the day so why not start is with one of our breakfast buffets! From our freshly baked pastries to the stylishly presented fruit, one of our breakfast buffets is sure to impress you and your guests.
